# New Enhancements to Direct Business Internet Banking

- **Get eStatements and get organized.** Get your statement via our secure site to view and print right from your computer. Plus, if you choose the Check Imaging option for your checking account, images of processed checks are automatically included with your estatements.
- **Transfer money fast.** New Transfer-to-a-Friend feature allows quick and easy transfer of funds between CB&T online banking account holders.
- **Make commercial payments online.** Now, just click instead of mail to make payments to your CB&T commercial loan from a CB&T deposit account.
- **Issue stop payments.** If you need to stop a payment, it can now be done instantly from your computer.
- **View more account activity history.** You can now view up to 18 months of your latest transactions on a rolling basis, beyond the original 122 days.
- **Access password reset assistance 7 days a week.** Extended hours for customer service to assist with password resets mean less downtime to managing your accounts online. New hours are Monday through Sunday, 6 a.m. to 10 p.m. Call (877) 650-0095.
- **Enjoy a more streamlined Bill Pay experience.** Subtle changes to your Bill Pay process and functionality – such as additional detail for activity tracking and reporting among multiple company users – go a long way in making your business banking more efficient.
